Area Overview

West Hampstead is one of London's best kept "villages" and has always been hugely popular among young professionals and small families looking to move out to a leafy suburb with a great sense of community, whilst wanting to remain a stone's throw away from Central London. The main focus of the area and local community is West End Lane which boasts a fantastic variety of independent cafes, bakeries, boutiques and bars, ranging from cheap eats to trendy gourmet options with many offering live music and entertainment during the week.
